From 1 to 3:

I have asked the Office of General Counsel to review [redacted] comments, which in themselves are essentially correct. However, from a purely legalistic viewpoint, as [redacted] points out in his memo (copy also attached), we are more or less operating on oral approvals or oral determinations that we are exempt from Title 44 and the Joint Committee on Printing. Therefore, I believe that [redacted] comments should be given consideration in dealing with this legislation.
